Product Information:

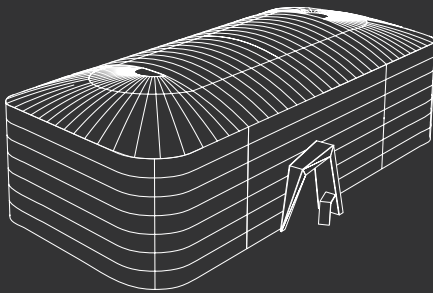

Ford Valencia Structure

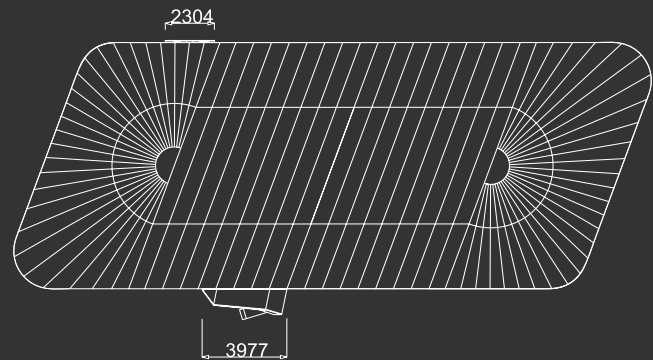

Side Elevation

Front Elevation

View 1

Plan

Description:

This structure comes with 6 high pressure fans. it does not include the doors in the images. The Ford logo has been stitched on but can be picked off. We suggest making a new logo to cover the one that is there, we can do this for you.

Condition:

This structure is in good condition and is made from PVC which is easy to keep clean. The structure is pretty heavy and is in 3 parts so any inspection would require prospective clients to come with a minimum 6 men to assist us at our storage location.

Cost:

Ex works price used: **£24,000**

EX works price new if they want to order new: **£xxxxxxx**

Installation cost if required from Dryspace: **£xxxxxxx**

Disclaimer: All goods can be inspected before purchase. All goods sold on a non-returnable basis.
